How to Budget Effectively

Friday April 16, 12:00 pm – 1:30 pm

Would you like to learn how to create a budget, and learn how to reduce spending?

If your answer is yes, then this class is for you!

Learn how to create a spending plan for your money to ensure that you will always have enough for the things you need and the things that are important to you. This class will teach you how to create a simple budget, track your income, and monitor how you spend your money.

Understanding Credit

Monday April 19, 12:00 pm – 1:30 pm

What it is, why it's important, and how you can maintain it! This is a good time to become aware of what credit is and how to understand your financial health.

This workshop will teach you why it is important to start building a foundation for future credit, from credit cards to auto loans and home mortgages. You will learn key principles for building strong financial health, why it is important to do your research, and know your options so you fully understand the terms and conditions of loans. This workshop will teach you how to stay on top of your credit for a very bright financial future.
